2. Diya Negi
3. Mayank Sharma
4. Nipun Sharma
5. Prerna Mehta
6. Sakshi Malik
7. Sameer Dudeja
8. Sonali Sen

Agenda of the meeting:

- 1) One-time fees for membership of AUDBAA
 - 2) Preparation of induction presentation
- Item 1: One-time fees for membership of AUDBAA

In view of recent developments wherein previous alumni had apprehensions in paying the memberships fees, a need to make a uniform as well as simpler structure for the school's alumni association (as also under process at the university level) was identified. Further, certain changes in the AUDBAA membership subscription rules are being proposed.

It was decided that:

- 1) From the financial year 2017 onward, fresh alumni of every graduating batch would be inducted for life through a one-time fee transfer mechanism, currently being worked out with the university.
 - 2) As a result of these proposed changes, all the alumni of the first three batches i.e. 2014, 2015 and 2016, shall be granted **life membership** of AUDBAA from this year **without any payment of fees**.
- Item 2: Preparation of Induction Presentation

It was decided that a presentation/ pamphlet/ video has to be made for the purpose inducting and motivating the alumni to be a part of AUDBAA. The presentation should define a vision of

SES Alumni-Alumnae Association Ambedkar University, Delhi

Minutes, 14th January, 2017 (First Annual Day Meeting)

Venue: Room no. 311-12, Ambedkar University Campus

Startingtime: 11.00 am

Members Present:

1. Shamshad
2. Maninder
3. Rashmi
4. Pooja
5. Sanjay Raghav

After greeting, meeting started with an introduction of members to each other. A small brief about the association was shared by Shamshad. After that Rashmi has shared the vision and journey of the association since its conception. Maninder and Bhawna were appreciated for preparing logo and letter head design for the association. All members shared their experiences they earned after MA. It was a rich discussion focusing upon the various concerns related to the school education and how association can play a role in exploring and understanding various aspects of school education. This discussion followed with the issues and future goals to strengthen the association.

Issues Discussed and the decisions taken:

The list of the tasks along with the proposed deadlines is as follows:

Sr. No.	Task	Cohort	Name of the representative	Proposed date for completion of the task
1	Vision and/or objectives document	2012-14	Maninder	End of January 2017
		2013-15	Rashmi	
		2014-16	Pooja & Sanjay Raghav	
2	Profiling of Alumni	2012-14	Maninder	First Week of February 2017
		2013-15	Rashmi	
		2014-16	Pooja & Sanjay Raghav	

3	Interaction with 2015-17 batch of MA Education and 2014-16 & 2015-17 batch of MA Education (ECCE)		Pooja, Shamshad & Sanjay Raghav	Second Week of February 2017
4	Registration Procedure		Shamshad	

1. Work related to Registration of association

Looking this as a priority task, the members decided to make representatives from each batch that represent their batch mates' suggestions/ideas regarding objectives. Maninder, Rashmi and Sanjay & Pooja were selected as representative/s for 2012-14, 2013-15 & 2014-16 SES batch. It was also decided that representatives do profiling of Alumni of the batch they are representing.

2. Measures to ensure better participation

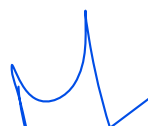

From last three meetings it was observed that there is a general lack of interest and very less participation from the Alumni so far. The group discussed ways to ensure maximum participation by all in future meetings. It was decided that representatives will take views from the Alumni of their respective batches for their contribution and participation in future meetings.

3. Orientation meeting for the students of SES graduating this year

As first batch of MA Education (ECCE) has passed in 2016 and second batch is going to be graduated in 2017, it was decided to interact with the students currently pursuing MA Education (ECCE) and MA Education along with the passed out batch of MA Education (ECCE). This task is given to Pooja, Shamshad and Sanjay.

4. Maninder
5. Priyanka Arya
6. Laxmi
7. Bhawna
8. Pragya
9. Manisha
10. Pooja Karakoti
11. Deanne
12. Rashmi

Issues Discussed and the decisions taken:

1. Election of Representatives

As decided amongst the participating members through discussions on Whatsapp group, one of the main agendas of this meeting was to elect the representatives for the association. Only Shamshad, Rashmi and Laxmi had put forth their names for the post of President, Vice-President and Treasurer. In the absence of any other nomination, all the members present accepted these three as elected for the respective positions. Additionally, it was decided that Bhawna (with assistance from Priyanka and Pragya) will act as the internal coordinator amongst members to keep track of the work that will be handed to different members.

2. Work related to Registration of association

The members decided a list of concrete tasks that need to be urgently done to get the association registered and give it a formal shape. The list of the tasks with the people who were given responsibilities for completing those tasks along with the proposed deadlines is as follows:

Task	Name of the member responsible	Proposed date for completion of the task
Creation of logo	Maninder	23 rd April, 2016
Letter head design	Bhawna	Week following submission and finalisation of logo

Vision and/or objectives document	Richa	End of April
Compiling the list of proposed activities and calendar for this year	Bhawna	
Registration procedure	Laxmi, Shamshad	
Creation of online survey	Richa, Bhawna	End of April
Minutes of the meeting	Manisha	17 th April, 2016
Name of the association	Through everybody's suggestion and consensus	
Receipt book	?	?
Searching for good investment schemes	?	?
Updating the mailing list (adding the names of new members and the old ones whose email ids have been left out by mistake)	??	??
Creation and designing of Web Page/Blog	??	??

(These 3-4 tasks for which responsibility has not been delegated came out while reviewing the notes of the meeting.)

3. Measures to ensure better participation

It was felt that there is a general lack of interest and very less participation from the students of the two batches who have passed out from SES so far and are being looked at as the first set of members. The group discussed ways to secure maximum participation by all. For this purpose, it was decided that an online survey can be conducted to reach out to all prospective members and obtain their views on this association and in what manner would they like to associate with and contribute to the association. What are the ways in which association can help them.

4. Date for Annual Day meeting

After deliberation on several possible dates, the members present decided to keep 2nd Saturday in the month of January as the date for the Annual Meeting of the members of the association. This date was chosen keeping in view the weather conditions, the festival timings where many will be occupied as well as the nature of work different members are engaged in at the moment and the time of the year when the most of them will be able to join.

5. Activities to be commenced by the association in near future:

The members decided upon a few things that can be done this year:

a. A seminar can be organized in a few months time (Sep/Oct/Nov) in which the entry will be open to all the graduates of SES and the recent graduates of education departments of other universities as well.

b. To decide upon the topic of the Seminar, it was suggested that the SES members can start a web page/blog where any of the members can write/share his/her views on any topic related to education that interests him/her. Then, over a period of time, judging by the bent and inclination of most members, a number of topics can be shortlisted for the seminar.

c. To decide upon the topic of Seminar and then plan for the same, the group will have to meet again. For this, the date will be discussed over the email and whatsapp groups.

d. The group also discussed about creation of an editorial board for selecting the papers to be presented at seminar. Rima and Rashmi expressed their wish to be on this editorial board. A few more members from the present and the now graduating batch can also help in this task. Apart from the student members of the association, somebody from the faculty of SES can be nominated to help out in the process. In addition to this, the group strongly felt the need to include an external member (who has not been associated with SES, AUD either as faculty or student) in order to ensure impartiality. For this, members can suggest names of suitable persons they know from other institutions. The association will approach the persons whose names are shortlisted out of the suggested names.

e. The association will need to procure an ISBN no. to publish the papers presented through seminar and otherwise. SES faculty will help in procuring the same. One or two student members will carry out the communication with them in this regard and help wherever needed.

6. Collection of funds and initial fee:

In the first meeting, after considering several factors like the need of funds for the activities of the association, securing maximum membership, economic capacity of different members, etc., the members had decided to keep Rs. 500 as the membership fee for the time being, at least for the first two batches that had graduated by that time. It was also decided that membership fee for the subsequent batches could be raised if the group wished to do so. An annual membership renewal fee was also suggested, but no decision on that was taken.

In this meeting, the group decided to keep the membership fee the same for the batch of students passing out this year. The members agreed upon depositing the amount so collected in association's bank account (to be opened). Since this amount is less, it will not be used for any activity organized by the association for at least a few years and will be used as an investment in some appropriate bank schemes in order to generate more funds.

Therefore, while planning for any future activity, members will have to contribute additional funds as per requirement of the event. Members can also voluntarily contribute funds as per their capacity once the bank account has been opened. Other sources of funding can be explored depending on the nature of the activity. E.g. for the seminar, a registration fee can be levied on graduates of other universities who register to present their papers.

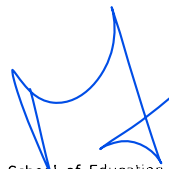

Keeping in mind, the scarcity of resources at the moment, the group will organize its initial events in the AUD Campus only so that costs can be minimized.

7. Orientation meeting for the students of SES graduating this year

The representatives of the association (Shamshad, Laxmi and Rashmi) will organize a meeting with the graduating students of SES and orient them about SES Alumni-Alumnae Association, its purpose, vision and the activities being planned in the near future. They will also collect membership fee from the students who are willing to be members. The representatives will report about this meeting to the other members through an appropriate channel and also share the views/suggestions shared by the graduating students/new members. With this last decision, the members concluded their meeting.

14. Ms. Deanne Sliddleton
15. Dr. Sheetal (SES faculty)

Agenda:

- To conduct the seminar for Alumni
- To share Post AUD experiences of Alumni

Minutes of the discussions:

At the outset, Mr. Shamshad and Mr. Sanjay welcomed all the participants and formally inaugurated the session. Two of the presenters conveyed their regret for not presenting their work due to some urgent piece of work.

The following Agendas were discussed:

1. **Alumni Meet as the platform for interaction:** The discussion was initiated by sharing the significance of conducting alumni meet and it was shared by different members that it is medium which enables alumni to connect with the university. It could also be a platform for enrichment where alumni can present their studies and can also get certification for their presentation.

2. Post AUD experiences of Alumni:

- Mr. Maninder currently working with Bharti foundation. Earlier he worked with Bodh Government School Teaching.
- Ms. Rashmi is pursuing MPhil from CIE, DU and working with Juvenile delinquents.
- Mr. Shamshad teaches Natural Science in Delhi government school.
- Mr. Lynpu is planning to do MPhil/ PhD.
- Mr. Sanjay teaches Maths to children in own his organisation in innovative ways. He also gives training to teachers and helping in revamping Maths curriculum of different schools such as DPS Society, Vasant valley and blue bells.
- Ms. Ashwati teaches in Blue Bells
- Ms. Garima is working in British Play School in Gurgaon.

3. Paper Presentations by Alumni:

- Mr. Shamshad presented paper on 'Educating Muslim girls in Colonial Delhi' in which social profile of girls, contexts and concerns related to girls education during colonial period had been shared.
- Ms. Shweta presented paper on how art education is perceived in MCD primary School. For this she has taken 12 in depth interviews with teachers and found in her study that art is seen as medium for grades not as medium of creativity. It is seen as leisure.
- Ms. Rashmi presented paper based on her master's dissertation which was on 'state, development and childhood in the margins'. For this she interacted with 10-14 yrs old children from the marginalised section.

4. Different Suggestions given by alumni:

- **Developing a common platform to share ideas:** It was suggested to have one portal where different information, strategies and education related readings could be shared.
- It was also suggested to add one component in MA curriculum on 'Challenges of working as a professional in the field'. It could prepare students for the working environment and enable them to cope up with it.

The meeting ended with a vote of thanks

Alumni-Alumnae Association Brief

The School of Education Studies (SES) is formally instituting its Alumni-Alumnae Association on 10 January 2016. The first cohort of students graduated from the SES's MA Education programme in the year 2014. As the second cohort graduates in 2015, the School is proposing to activate a formal mechanism that facilitates linking/networking its graduates, tracing the professional trajectories that the graduates have charted, and nurturing of a shared institutional identity.

Objectives of the Alumni/Alumnae Association

1. To network the different cohorts of graduates of the School. The alumni association, in due course, may help in tracing SES graduates, sharing placement related information and networks, and publicizing the programmes and endeavours of the School.
2. To offer a formal space for the graduates of the School, who would have assumed various career trajectories, to come together and share their professional experiences and think around issues that relate to the field of education.
3. To collectively shape an institutional culture characterised by humanism, collegiality, teamwork and creativity – which is drawn from the vision of AUD of bridging equality and social justice with excellence.

Proposed Structure

The General Body of the Association, including all the graduates who choose to register with the Association, will elect 3 interim representatives (President, Vice President and Treasurer) from among those who volunteer. In the leadership and moderation of these 3 elected representatives, the Alumni-

Alumnae Association will decide its vision, the structure of the Association, the scope of activities and various functional aspects. After the Association draws-up the vision and plan, the General Body may decide (by voting) to dissolve the temporary positions and re-elect the representatives or to institute the structure as decided.

The membership to the Association is open for the SES graduates only. The SES faculty will play only an advisory role in the Association. The faculty will nominate a Faculty Advisor for the Association each year. [Dr. Gunjan Sharma and Mr. Akha Kaihrii Mao are anchoring the launch of the Association]. Non-Alumni/Alumnae faculty members would not be able to contest on any representative positions in the Association.

Membership Fee

There are two kinds of fee with which the Association will carry out its functions:

1. A one-time life membership fee of Rs. 500
2. A recurrent annual fee (to be decided by the Association)

Inaugural Function

On the occasion of the launch of the Alumni Association, an inaugural function is being held on **10 January 2016 from 1:00 pm** in the AUD campus. The Alumni-Alumnae can decide the details of the function over email. However, some initial thinking by some faculty and graduates has led to the following ideas:

- a. A small team will approach all the alumni-alumnae with a request to join the function. An attempt will be made to organize the function when maximum persons are available.
- b. The function will begin with lunch/refreshments. The expenses will be borne by AUD for the inaugural event only.
- c. The function will have a formal dress code.
- d. The graduates will be requested to bring the life-time membership fee on the date of the inaugural function.

8. Sonali Sen

Agenda of the meeting:

- 1) One-time fees for membership of AUDBAA
- 2) Preparation of induction presentation

- Item 1: One-time fees for membership of AUDBAA

In view of recent developments wherein previous alumni had apprehensions in paying the memberships fees, a need to make a uniform as well as simpler structure for the school's alumni association (as also under process at the university level) was identified. Further, certain changes in the AUDBAA membership subscription rules are being proposed.

It was decided that:

- 1) From the financial year 2017 onward, fresh alumni of every graduating batch would be inducted for life through a one-time fee transfer mechanism, currently being worked out with the university.
- 2) As a result of these proposed changes, all the alumni of the first three batches i.e. 2014, 2015 and 2016, shall be granted **life membership** of AUDBAA from this year **without any payment of fees**.

- Item 2: Preparation of Induction Presentation

It was decided that a presentation/ pamphlet/ video has to be made for the purpose inducting and motivating the alumni to be a part of AUDBAA. The presentation should define a vision of

AUDBAA, the benefits of being member of AUDBAA and the contributions to be made by AUDBAA towards helping SBPPSE and AUD grow. Sonali and Nipun were assigned this task.

The meeting ended with a Vote of Thanks.
